

GERMAN LANGUAGE-CIRCLE FOR SINGLES

ON A SOLITARY LANGUAGE HOLIDAY – AND STILL HAVING FUN IN A SOCIABLE GROUP

Learning in a sociable group is much more fun. Freshen up your knowledge in a small and intense group of only 3 – 8 participants and enjoy the numerous cultural and sportive opportunities which the city of Salzburg and it's environment has to offer.

This language circle will take place from Monday to Friday mornings or afternoons, depending on the language level. Specially trained teachers not only teach their mother tongue but also the culture and etiquette of their home country. In a relaxed setting you practice the vibrant dialogue structures, grammar and vocabulary for everyday situations. To expand the linguistic skills for the professional life and to prepare for tests you can book extra-lessons with a teacher (version B). During the situational classes outside of the school you can chat about everything under the sun - in German!
